Celebrating 90 Years of Legacy and Impact

We invite you to celebrate with us at the 90th Anniversary Gala of Historic Council 60, an evening dedicated to honoring nearly a century of transformative contributions to civil rights, education and social justice. This event will shine a light on the council's pivotal role in founding key organizations and participating in historic moments that have shaped our nation. As we celebrate these achievements, the evening will be filled with reflection on our past and optimism for the future, as we continue to honor the legacy of Council 60 and reaffirm our commitment to justice and empowerment for future generations. Please join us for this milestone event as we celebrate 90 years of leadership advocacy, and service.

The League of United Latin American Citizens (LULAC), founded in 1929 is the oldest and most widely respected Hispanic civil rights organization in the United States of America. LULAC was created at a time in our country's history when Hispanics were denied basic civil and human rights, despite contributions to American society. The founders of LULAC created an organization that empowers its members to create and develop opportunities where they are needed most.
